## Cost of Living in New Zealand

New Zealand is one of the top study abroad destinations for international students aiming to pursue a higher degree level education. As per 2021 stats, more than 100,000+ students are enrolled across New Zealand universities to pursue higher education. Those intending to study in New Zealand, especially international students, must have an approximation of the costs that would be required to stay and study in New Zealand.

An undergraduate degree costs around **NZD 22,000 to NZD 32,000** for an academic year, while a master's costs between **NZD 26,000 - NZD 37,000** and PhD students may have to pay **NZD 6,000 to NZD 9,000** depending upon how much funding they receive in New Zealand for their studies. As per the official terms, the immigration department expects the applicant to have at least **NZD 10,200** in their account to furnish the fact that they can support their studies. Only after proving this amount, applicants are granted a visa to study in New Zealand.
